About Us

More Than Just A Box

People remember your loos - good or bad. Whether you're in the construction industry, planning huge events or arranging family parties, toilets are part of the experience. They should enhance it, but not be the talking point.

That's what LetLoos is about - providing premium toilet and sanitization services, which are environmentally-friendly, affordable, but most importantly, ensure your people are treated like VIPs.

If you're looking for a professional, 5* experience for your long-term construction project or multi-day festival, LetLoos guarantees you'll be remembered for the right reasons.

How It Works

Your requirements are unique. So, we promise to tailor our services to you.

It's easy to get started...

Get in touch

Give us a call today. Let us know what you're involved in. We'll give you a great value quote

Delivery

Tell us where and when you want us to deliver, and we'll have everything delivered in immaculate condition on time.

Enjoy

With everything deployed, your team or guests can enjoy their experience without having to worry about the loos. If you'll be using them long term, we'll even arrange for our services team to ensure they're always cleaned and kept in immaculate condition.

We'll collect them

Once you're finished, we'll come and sort everything for you. You don't need to worry about a thing. It's that simple.

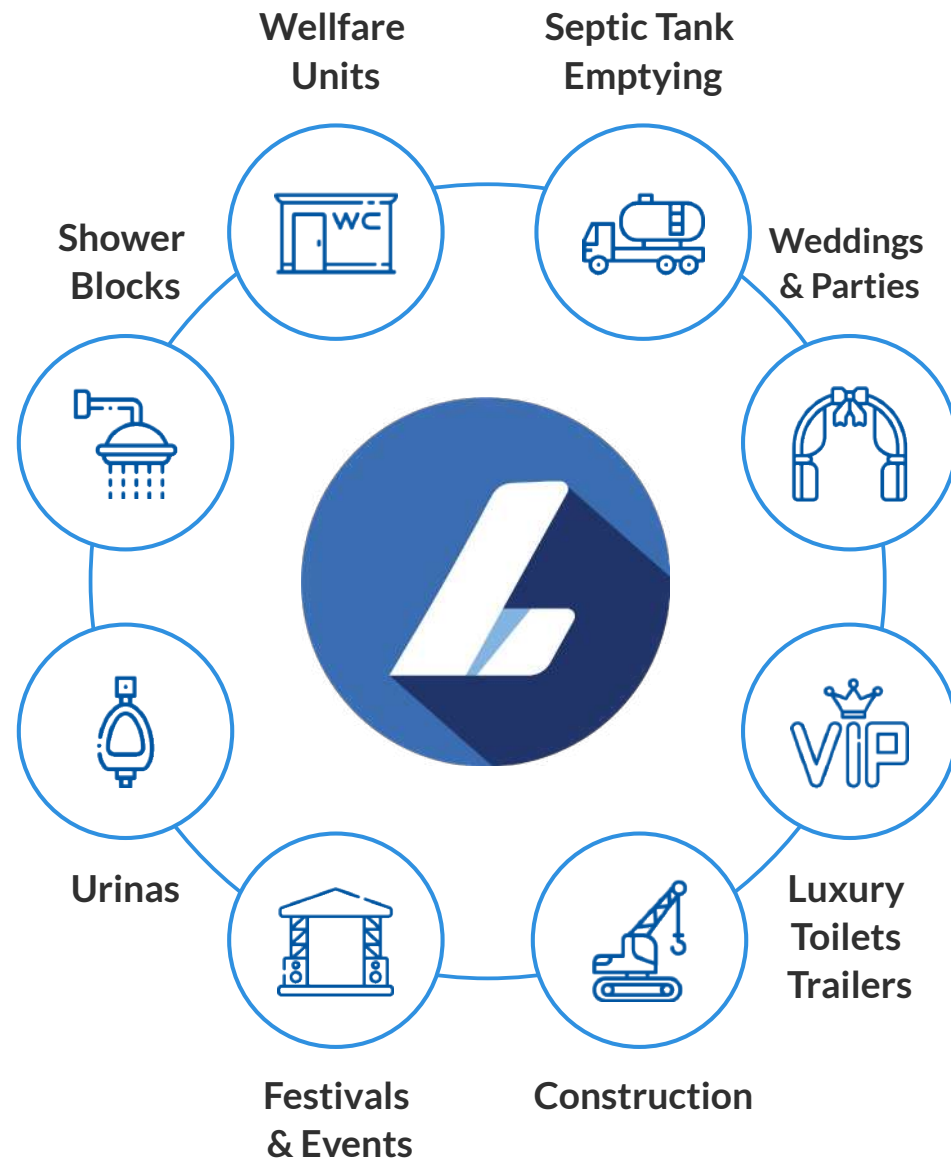

What We Can Do For You

We're not just about loos.

We cover all things sanitation. Mobile showers units? Check. Welfare Units? Check. Toilet attendants and cleaning services? Absolutely.

Whether you're after a long or short-term service on construction sites, or a temporary solution for corporate events, festivals or weddings, LetLoos have got you covered.

Superior Sanitation In The South East
For Over 25 Years

CONSTRUCTION SANITATION SERVICES

Designed for the Construction Industry
We go way beyond the classic, stereotypical
construction industry toilet provider.

Your team graft every day. They deserve a little luxury
when they pop to the loo. Well, LetLoos provides premium
loos, welfare units, showers, fencing and tank emptying
services to help make your site run hassle-free.

Chemical Site Toilet

Your Premium Loo

Keep your team happy, motivated and focused on the task with our Chemical Site Toilet.

Designed to be comfortable, hygienic and convenient for any location, this premium loo is robust enough to stand up to any construction site.

MAIN FEATURES

- Arrives Steamed Clean - This ensures your loos are in immaculate condition to impress.
- Guaranteed Weekly Clean - We remove all waste every week, and replenish toilet roll, hand soap and sink water too, so you don't have to.
- Grid Style Floor - Muddy boots usually equal a grim, slippery toilet floor. But, because of our grid style flooring, not only is safety improved by the added grip, but dirt falls through the grid to keep the floor clean.
- Fully Stocked - Each toilet comes with premium toilet rolls, hand soap, mirror, coat hook and specially created air freshener for LetLoos loos. Details matter...
- All waste is removed weekly and all amenities replenished.
- All our toilets are fitted with HSE complainant forearm sinks to meet all health and safety requirements.

SIZE

Height	2310 mm
Width:	1118 mm
Depth:	1219 mm
Weight:	73.5 kg
Standard tank volume:	265 L

Hot Wash Site Toilet

SIZE

Height	2310 mm
Width:	1118 mm
Depth:	1219 mm
Weight:	73.5 kg
Standard tank volume:	265 L
Seat height:	460mm
Door opening height:	1937mm
Door opening width:	619mm
Floor space:	1041mm x 533mm

MAIN FEATURES

- Arrives Steamed Cleaned - This ensures your loos are in immaculate condition to impress.
- Hot Water Wash Basin - Having the opportunity to wash your hands under hot water encourages your team to wash more frequently and for longer, which means improved cleanliness and satisfaction.
- Grid Style Floor - Muddy boots usually equal a grim, slippery toilet floor. But, because of our grid style flooring, not only is safety improved by the added grip, but dirt falls through the grid to keep the floor clean.
- Fully Stocked & Cleaned Weekly - Each toilet comes with premium toilet rolls, hand soap, mirror, coat hook and air freshener.
- All waste is removed weekly and all amenities replenished.
- All our portable toilets are fitted with HSE complainant forearm sinks to meet all health and safety requirements.

Focused On Hygiene

To promote hygiene and make your team feel more satisfied and more productive, we've taken all our Chemical Toilet Wash benefits and added a contemporary, hot water washbasin.

Being able to wash your hands under hot water is what feels right when we go to the loo. And, having the opportunity to freshen up properly has a huge impact on site morale.

Mains Connected Toilet

Long-Term & Cost-Effective

If you need toilets for a long-term project, LetLoos Mains Connected Toilet is the most cost-effective option.

With a supply of fresh water, both hot and cold, and flushing facilities, you'll not only save money on waste removal, you'll also provide a more comfortable experience for your team. A happy team is a more efficient team.

MAIN FEATURES

- Arrives Steamed Cleaned - This ensures your loos are in immaculate condition to impress.
- Just Like Home - Home comforts make a huge difference to morale. And, by looking and acting just like a home toilet, with an odour reducing flush, you're encouraging productivity.
- Full Installation - We'll help with toilet site location, then install, maintain and remove the loo. Focus on what matters. We'll take care of your toilets.
- Fully Stocked - Each toilet comes with premium toilet rolls, hand soap, mirror, coat hook and air freshener.
- Cost-Effective & Low Maintenance - This really is a stress-free experience. It runs just like a normal toilet.

Welfare Units Hire

The Complete Package

A comfortable, fully stocked, dedicated area to relax on breaks is incredibly important in the construction industry. Somewhere warm and sheltered from the elements, where your team can relax and enjoy a brew.

Powered with a 6kVA Diesel Generator, and fitted with recycled non-slip flooring and steel/roof panels, it's an incredible combination of robust security and homely comfort.

MAIN FEATURES

- Arrives immaculately clean ready for your team to start enjoying, keeping spirits jovial.
- Fully Stocked - All units have hot wash facilities and are stocked with a kettle, microwave, hand soap, cup dispensers and even a box of FREE tea, coffee and biscuits.
- Toilet Cleaned Weekly - You don't need to worry about cleaning your loo. You have other things to focus on. Our team will service your unit on a weekly basis all part of the cost.
- Designed to be fully compliant with health, safety and welfare regulations - The Workplace (Health, Safety and Welfare) Regulations 1992.

Single Shower Unit

The Premium Portable Shower

Whether it's coming in contact with hazardous substances or just wanting to get rid of the day's grime, LetLoos spacious shower units give your team an easy-to-use answers, whether they want to shower using hot or cold water.

Sturdy enough to withstand heavy use, our single shower units solve your problem.

MAIN FEATURES

- Arrives Steamed Cleaned - This ensures your showers are in immaculate condition and ready to use.
- Safety First - Showering after contact with potentially hazardous materials is important for ensuring site safety. Our showers keep your team safe and sound.
- Hot & Cold Shower - It doesn't matter what your team's preference, our showers offer both.

Fencing

Keep Your Site Safe

If you run a construction site, you'll need reliable fencing. Whether it's keeping the public out or separating areas, your fencing needs to be secure. And, that's exactly what LetLoos Heras fencing is.

Easy to manoeuvre and extremely adaptable it takes the stress out of security.

MAIN FEATURES

- Affordable - Regardless of the size of your operation and how much fencing panels you need, we offer some of the best value fencing in the whole of the South East.
- Robust & Secure - Your fencing needs to do its job. That's why all LetLoos fencing is guaranteed to stand up to even the harshest of conditions.

IBC Water Tank Hire

Robust & Reliable

Used primarily for Welfare Units, flushing toilets and washbasins, our IBC Water Tank hire is essential for keeping your site ticking smoothly. Built to survive in tough construction conditions, LetLoos tanks are reliable and adaptable.

MAIN FEATURES

- 1000L Capacity - Having to change your water on a regular basis is a nightmare. So, to save time and fuss, we have a range of IBC Water Tanks up to 1000 litres in capacity.
- Multiple Tanks Available - Because IBC Water Tanks are extensively used, we can supply you with multiple tanks, which are easy to stack and interlock.
- Translucent - If you have a large site, it's easy to run out of water. But, because all LetLoos tanks are translucent, you can track exactly how much water you have left. This way you're never caught out.

SIZE

Height	2310 mm
Width:	1118 mm

Toilet & Welfare Unit Servicing

Saving You Time & Hassle

The truth is, you have more important things to focus on than your loos or welfare units being cleaned. We appreciate that. It's the reason we offer 5* servicing. Discreet, punctual and highly trained, our servicing team will ensure all waste is emptied in a control, environmentally-friendly manner.

MAIN FEATURES

- Vacuum Waste Removal - We only use vacuum waste removal tankers, so the process is as fast and hygienic as possible.
- Restocking - As well as removing your waste, our team can also make sure you're fully stocked with loo roll, hand soap and paper towels.
- Emergency Call Outs - The LetLoos Servicing Team are on hand 24/7. If you have an emergency and need the support, don't hesitate to give us a call.
